# MINISTRY TRAINING

# ENGAGE and EQUIP

ephesians 4:12

As we all know, the One we follow never stands still. He never leaves us where we are. By now, we have all heard it loud and clear, the subject of the Gospel is not us, but Christ's mission to redeem, restore and recreate a broken world. What is great though is that His mission includes us as leaders. That's why we are interested in moving, growing and motivating others to work together towards a better tomorrow. It is our desire to engage and equip you on the frontlines. Whether you are coming for a word of encouragement, sharpening your skills, fresh motivation or a whole new challenge, you won't be disappointed.

## general session

### 101 THE UPSIDE OF TENSION

**Pastor Johan Tredoux**

A leader's natural tendency is to think that tensions in ministry are problems that must be ultimately solved. In our general session, Pastor Johan will help us unpack ways in which we can leverage the tensions in our ministry areas, so that they become areas of growth for the sake of God's Kingdom. At the heart, he'll share that progress in our ministry areas depends not on resolving, but instead successfully managing healthy tensions.

## workshops

### 102 THINK ORANGE (Fellowship Hall)

**Pastor Johan and Pastor Tom**

- Prerequisite: Reading "Think Orange" by Reggie Joiner

What would it look like if leaders were to partner with parents to influence the next generation. Join a conversation as we learn how we can work together as a team, communicate truth to children and students, partner with parents and affect the spiritual direction of a generation. This breakout spans both sessions.

### 103 PLANNING CENTER ONLINE (124)

**Pastor Chris Logan**

As the number of volunteers in our church grows, organization and planning can feel complicated. Enter PCO, a web-based collaborative planning tool which has proven itself effective for organizing people & events. Join us to learn more about how to use PCO in your ministry. Offered in both sessions.

### 104 BECOMING SPIRITUAL DIRECTORS (125)

**David Wilson**

This very unique workshop, the first of its kind, will focus on the ministry of Spiritual Direction. Spiritual Direction in a nutshell is the process of helping someone else relate consciously to God and to grow in that relationship. The process of becoming a spiritual director will also be introduced. Offered in both sessions.

### 105 THE FAMILY AS A FAITH COMMUNITY (126)

**Jamie Roach, Spiritual Formation Dir , Youthfront, Family Min Pastor, Lakeland Comm Church**

The church is a community of people following Jesus together, but have you ever thought of the family as a faith community as well? Join us as we look at the family as a community of faith, encouraging and empowering parents to be the spiritual leaders God created them to be. Offered in both sessions.

### 106 SERVING THOSE W/SPECIAL NEEDS (210)

**Anne Mueller, Veteran Special Needs Teacher**

God has blessed us with a diversity of people in the body of Christ. An important part of our church are people with special needs. Join us as we learn how to effectively serve those who have special needs, helping them to connect as vital members of our family of faith. Offered in both sessions.

### 107 LIVING OUT THE MISSION OF God...IN EVERDAY LIFE (Library)

**Timothy Lin, Kansas Area Director, InterVarsity Christian Fellowship**

What does being "missional" mean for us beyond the church walls? This breakout will look at some practical first steps to living out the Mission of God in your everyday life, whether in the workplace, school, home or neighborhood. It may be easier than you think! Offered in both sessions.

### 108 LIFE GROUP LEADERSHIP (213)

**Skip & Jeanine Tichenor, Carl Szczesny, Pastor John Paul**

In the midst of increasingly busy schedules, it can be difficult to grow in our relationships between each other and God. Life Groups are our attempt to make these important relational connections. Come learn about the purpose and function of Life Groups at CCC, and be equipped to lead one of these life giving groups. Offered in both sessions.

### 109 SO YOU THINK YOU CAN...SMILE, GREET AND USH (127)

**Local Serve Team**

Most visitors to a church will make a decision to stay within the first 2-5 minutes of a visit. This workshop will equip you to effectively create a welcoming environment as a part of our local serve ministry. Offered in both sessions.
