

# MOMENTS WITH MADISON

Student Mobilization | Cebu, Philippines

## TRANSFORMING LIVES

God is transforming lives through His Word! Check out these Facebook messages that I received from my friend, Elzie. She made the decision to follow Christ in March and has since then been eager to grow! Below is also a picture of us at her house having Bible study!

## SUMMER TEAM

Just this week seven students from the States (University of Kansas, Kansas State and Mizzou) arrived to spend the next six weeks experiencing the Philippines and learning what it looks like to do ministry here in Cebu. Myself, along with three of my teammates will be leading the team! We are SO excited to have them here and excited to see what God does in and through them as a result of this summer!

## JOIN ME IN PRAYER

- Wisdom for myself, Cass, Brady & Nathan as we lead the summer team (James 1:5)
- That God would work mightily in & through the summer team (Ephesians 3:20)
- Thea, Britney, Aliana, Chesha, Hazel, Christine, Pamella, Sam, Ema, & Maria would see that God has the best life to offer them & that they would want to continue processing through the Gospel (John 10:10)
- That Belle would read The Bible daily & consistently (1 Peter 2:2-3)
- Continued growth in Melinda, Christine, Mykee, Merielle, and Elzie's lives (Colossians 2:6-7)

GRATEFULLY, *Madison*
